Scampston Hall covers 80 acres of some of the finest parkland in North Yorkshire giving space to relax against the stunning backdrop of the Hall, its lakes and woodland. It is one of the finest regency country houses in the area offering an award-winning walled garden, parkland trails to explore, a nature trail designed especially for children, Garden Café and much more.

Enjoy a licensed bar and live music entertainment on 26th, 27th and 28th May, specifically for those staying onsite. As the site is so spacious you can choose to either be close to the entertainment or, if you prefer, to stay on a more tranquil plot; allocated on a first come, first served basis. *(Please note that electric pitches are pre-marked).*

A catering unit will be present for the duration serving breakfasts followed by a variety to suit everyone from burgers through to fish and chips. For those wishing to BBQ there is a shop and butchers within walking distance in Rillington or a short drive to an award-winning farm shop.

This is an excellent base from which to explore the landscapes and attractions of Yorkshire's wolds, moors, and coastline; Scarborough, Filey and Whitby are all within easy reach. Nearby lies the market town of Pickering, home to the North Yorkshire Moors Steam Railway; an 18-mile line passing through breath-taking scenery. Also, you can find Eden Camp Modern History Theme Museum at Malton, Playdale Farm Park at Cayton, Piglets Adventure Farm near York, Flamingo Land Park & Zoo, Dalby Forest with Go Ape and its many walks and cycle tracks, North Yorkshire Water Park, Sea Life Centre Scarborough, Castle Howard, Sledmere House and Grounds, Wolds Way Lavender and the ancient city of York with its museums and many other attractions.

North Yorkshire is the largest county in England packed with two National Parks, charming market towns, quaint villages and of course one of the most spectacular coastlines in the country; all well worth visiting.
